On May 17, 2019, the Oklahoma Attorney General notified me of having granted the OESC police/investigative powers. ( **ATTACHED 2 pg** )

The AG's decision grants unusual license. Perhaps even to:

- 1-Shed light on the several OESC staff who have endorsed AppleOne's "Owasso Tech Job."
- 2-Identify the OESC person(s) who converted a weekly claimant call into an "interview" on an unrelated topic.

Given the time passed, I thought this might be an good time to ask *how the investigation is going?* It's not just for me, but also the **dozen or more Oklahomans snared with the same fake job offer.**

Thank you for your time and consideration.

Sincerely

E. Keith Purtell
